*NOTE: This is BCMCP's general application schedule and should be used as a reference only, not a guarantee that an application will take place in your area. All applications are weather permitting and made between 2:00am and sunrise. Due to high request volume in some towns, not all areas of a town are completed in one day and may require additional applications the following week(s) to complete all requests. To determine if your specific street is on the schedule for the following morning, please call our Answering Service line 617-582-6218 after 3:00pm the evening before your Town's scheduled day.
